Dear Hiring Manager,

I am thrilled to express my keen interest in the opportunity. Company's dedication to creating a positive impact on society has impressed me, and I am thrilled to be part of such an esteemed organization.

With over three years of coding experience as a student, I am confident in my ability to contribute to the Company's mission of driving social change through technology. I am honored to have been selected for the Web Developer role at Saral ERP Solutions Pvt. Ltd. and the Teaching Assistant position as a MERN Stack Developer at Coding Ninjas. These roles have equipped me with advanced skills and knowledge in critical areas such as SQL, JavaScript, React.js, Node.js, project development, and software engineering. I am eager to apply these skills to real-world challenges and make a meaningful impact.

During my time at KIET Group of Institutions, I have actively participated in multiple web development and machine learning projects, and I was honored to be selected for Mission Million Minds (M3) by Programming Pathshala. These experiences have helped me develop strong coding and problem-solving skills while teaching me the importance of effective collaboration within a team. I am confident in my ability to leverage these skills to address the challenges the company faces.

Thank you for considering my application. I am thrilled at the prospect of contributing to the company

Sincerely,

Atul Baranwal
